Thank you, Alison, for the Healings with Crystals I received through your sessions. I still find it incredible how powerful and complex this work is. And the way you can attune yourself to Source, to the knowledge and wisdom from behind the veil is just inspiring. I found in you much more than just a healer. You are a truly wise Soul with such a big Heart. You were certainly a stepping-stone for me to the next level in healing myself and my path.
